

Bardsey Primary School PE Action Plan 2018-2019

Overall objective

To continue to increase Participation in Sports and PE and develop healthy lifestyles by:

- developing confidence in staff with the teaching of PE across the school.
- promoting the importance of a healthy lifestyle to all pupils.
- continuing to build on the legacy of the 2012 Olympics and recognise the importance of upholding the Olympic and Paralympic Values across the school.
- encouraging competitive sport across the school.
- promoting sport and physical activity outside of school

What we are currently doing

All pupils participate in 2 hours of PE per week through which we develop their physical activity, tactical knowledge, fitness and team work skills. This is developed through the six areas of activity as set out in the National Curriculum - Dance, Games, Gymnastics, Athletics, Outdoor and Swimming. An external coaching primary school partnership (through the PLT programme) deliver elements of sports coaching in Foundation Stage to Year 6 in sporting activities such as dance, football, rugby, tennis and gymnastics. Years 3 are given the opportunity to swim at a swimming pool in Wetherby and we aim for all pupils leaving school to be able to swim at least 25m. Year 2 and 4 take part in the annual skipping festivals too and prepare for these through specialist workshops and in PE lessons. In addition to the PE curriculum children participate in during the school day, we also offer a range of extra-curricular physical activities including netball and football. Many children also participate in sporting activities outside of school. These activities are supported by staff and children are encouraged to report their participation and success in these clubs mostly through the Celebration Assembly on a Friday afternoon.

The school is now a flagship school for The Golden Mile initiative where the children aim to walk a mile as part of the school day. Sports Day this academic year will continue to follow the format of the morning being skills based activities with races in the afternoon.

Person with overall responsibility

Mark Knight and Craig Hackworth Monitored by SLT & Governing Body

Budget Allocation £17,580.00 annually

Total Planned spend: £17,850.00 2018-19

Objectives What I want to achieve	Action How I will achieve it	Success Criteria How I know that I have achieved it	Start Date	End Date	Cost Implication	monitoring
